## Call for Volunteers and Committee members

We are an all-volunteer organization. We love bocce, we love Portland, and we want to promote and grow the league. Why? Because it's fun learning, playing, and hanging out with you all.

This is a call to give some of your time or expertise to make the Portland Bocce dream happen.

Committees:

- Building and Maintenance. Do you have construction skills? Landscaping Tools? A strong back?
- Fundraising Committee. Do you like talking to people and getting them excited about a cause?
- Grants and Donors. Do you have writing skills or connections in the non-profit community?
- Activities, Parties and Merchandise. Do you like to plan events, parties, and garage sales? Do you have experience in design and/or sales?
- Rules and Tournaments. Be our rules expert and help run our tournaments.

Special Olympics is an organization close to PBLA's heart. They need bocce mentors this summer. See Regina.

*Do you just want to get involved? To learn more? To help out where you can? You don't have to have any specific skills to volunteer. You don't need to be a Captain. Any member can join in.*

*If you are interested in hearing more, contact any board member. Or fill out a contact form at [Portlandbocce.com](http://Portlandbocce.com).*
